**Critical Information for Claimants
Choosing to File a Response to the Omnibus Objection**

Who Needs to File a Response: If you oppose the modification of your Claim(s) listed below and if you are unable to resolve the Omnibus Objection with the Debtors before the deadline to object, then you must file and serve a written response (the "Response") to the Omnibus Objection in accordance with this Notice.

**Procedures for Filing a Timely Response
and Information Regarding the Hearing on the Omnibus Objection**

Contents. Each Response must contain the following (at a minimum):

1. a caption setting forth the name of the Bankruptcy Court, the name of the Debtors, and the case number and the title of the Omnibus Objection to which the Response is directed;
2. the claimant's name and an explanation for the amount of the Claim;
3. a concise statement setting forth the reasons why the Bankruptcy Court should not sustain the Omnibus Objection with respect to your Claim(s), including, without limitation, the specific factual and legal bases upon which the claimant will rely in opposing the Omnibus Objection;
4. a copy of any other documentation or other evidence of the Claim, to the extent not already included with the Claim, upon which the claimant will rely in opposing the Omnibus Objection at the hearing; and
5. your name, address, telephone number and email address and/or the name, address, telephone number and email address of your attorney and/or designated representative to whom the attorneys for the Debtors should serve a reply to the Response, if any (collectively, the "Notice Addresses"). If a Response contains Notice Addresses that are different from the name and/or address listed on the Claim, the Notice Addresses will control and will become the service address for future service of papers with respect to all of your Claims listed in the Omnibus Objection (including all Claims to be modified) and only for those Claims in the Omnibus Objection.

Additional Information. To facilitate a resolution of the Omnibus Objection, your Response should also include the name, address, telephone number, and email address of the party with authority to reconcile, settle or otherwise resolve the Omnibus Objection on the claimant's behalf (the "Additional Addresses"). Unless the Additional Addresses are the same as the Notice Addresses, the Additional Addresses will **not** become the service address for future service of papers.

Failure to File Your Timely Response. If you fail to file your Response on or before the Response Deadline in compliance with the procedures set forth in this Notice and timely serve it on the Debtors' attorneys, the Debtors will present to the Bankruptcy Court an appropriate order granting the relief requested in the Omnibus Objection **without further notice** to you.

Hearing Attendance. If you file a Response to the Omnibus Objection, then you should plan to appear at the hearing on the Omnibus Objection. The Debtors, however, reserve the right to continue the hearing with respect to the Omnibus Objection and the Response.

Rescheduling the Hearing. If the Bankruptcy Court determines that the hearing on the Omnibus Objection will require substantial time for the presentation of argument and/or evidence, then the Bankruptcy Court, in its discretion, may reschedule the hearing.

Each Objection Is a Contested Matter. Each Claim subject to an Omnibus Objection and the Response thereto shall constitute a separate contested matter as contemplated by Bankruptcy Rule 9014, and any order entered by the Bankruptcy Court will be deemed a separate order with respect to such Claim.

Additional Information

Reply of the Debtors. The Debtors may file a reply to your Response or reply in oral argument at the hearing. In such event, the Debtors are permitted to file their reply no later than one calendar day before the hearing on the Omnibus Objection and the Response.

Additional Discovery. Upon receipt of your Response, the Debtors may determine that discovery is necessary in advance of the hearing on the Omnibus Objection and your Response. In such event, the Debtors will serve separate notice to the Notice Addresses that the scheduled hearing will be treated as a status conference during which the parties will request that the Bankruptcy Court issue a scheduling order to facilitate resolution of the Response. Notwithstanding the foregoing, nothing herein modifies any parties' right to seek discovery or request that the scheduled hearing be treated as a status conference.

Requests for Information. If you have any questions regarding the Omnibus Objection and/or if you wish to obtain a copy of the Omnibus Objection or related documents, you may call the Debtors' restructuring hotline at (844) 794-3476. You may also obtain a copy of the Omnibus Objection or related documents by visiting the Debtors' restructuring website at <https://cases.primeclerk.com/toysrus/>.

Reservation of Rights. Nothing in this Notice or the Omnibus Objection constitutes a waiver of the Debtors' right to assert any claims, counterclaims, rights of offset or recoupment, preference actions, fraudulent-transfer actions, or any other claims against the claimant of the Debtors. Unless the Bankruptcy Court allows your Claims or specifically orders otherwise, the Debtors have the right to object on any grounds to the Claims (or to any other Claims or causes of action you may have filed or that have been scheduled by the Debtors) at a later date. In such event, you will receive a separate notice of any such objections.

**DEBTORS' THIRTY-FIRST OMNIBUS
OBJECTION TO CERTAIN INCORRECT DEBTOR CLAIMS**

**THIS OBJECTION SEEKS TO MODIFY CERTAIN FILED PROOFS OF CLAIM.
CLAIMANTS RECEIVING THIS OBJECTION SHOULD LOCATE THEIR NAMES
AND CLAIMS ON SCHEDULE 1 TO EXHIBIT A ATTACHED TO THIS OBJECTION.**

Toys "R" Us, Inc. and its debtor affiliates (collectively, the "Debtors") file this omnibus objection (this "Objection") and seek entry of an order, substantially in the form attached hereto as Exhibit A (the "Order") modifying the proofs of claim and requests for allowance and payment of administrative expenses and/or cure claims identified on Schedule 1 to the Order (collectively, the "Disputed Claims") because the Debtors have determined that such claim was filed against the incorrect Debtor. In support of this Objection, the Debtors submit the *Declaration of Thomas Behnke in Support of the Debtors' Thirty-First Omnibus Objection to*

¹ The Debtors in these chapter 11 cases, along with the last four digits of each Debtor's federal tax identification number, are set forth in the *Order (I) Directing Joint Administration of Chapter 11 Cases and (II) Granting Related Relief* [Docket 78]. The location of the Debtors' service address is One Geoffrey Way, Wayne, New Jersey 07470.

Certain Incorrect Debtor Claims (the “Behnke Declaration”), attached to this Objection as Exhibit B, and respectfully state as follows.

Jurisdiction

1. The United States Bankruptcy Court for the Eastern District of Virginia (the “Court”) has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334 and the *Standing Order of Reference from the United States District Court for the Eastern District of Virginia*, dated July 10, 1984. The Debtors confirm their consent, pursuant to Rule 7008 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), to the entry of a final order by the Court in connection with this Motion to the extent that it is later determined that the Court, absent consent of the parties, cannot enter final orders or judgments in connection herewith consistent with Article III of the United States Constitution.

2. The bases for the relief requested herein are sections 502 and 1106(a)(1) of title 11 of the United States Code, 11 U.S.C. §§ 101–1532 (the “Bankruptcy Code”), Bankruptcy Rules 3007 and 9014, and Rule 3007–1 of the Local Bankruptcy Rules for the United States Bankruptcy Court for the Eastern District of Virginia (the “Local Rules”).

Relief Requested

3. By this Objection, the Debtors respectfully request entry of an order (a) modifying the Disputed Claims identified on Schedule 1 to the Order and (b) granting related relief.

Background

4. On September 19, 2017 (the “Petition Date”), the Debtors each filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. The Debtors are operating their businesses and managing their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. A detailed description surrounding the facts and

circumstances of these chapter 11 cases is set forth in the *Declaration of David A. Brandon, Chairman of the Board and Chief Executive Officer of Toys R Us, Inc., In Support of Chapter 11 Petitions and First Day Motions* [Docket No. 20] and the *Declaration of Michael J. Short, Chief Financial Officer of Toys "R" Us, Inc., in Support of Debtors' First Day Motions* [Docket No. 30]. On November 16, 2017, the Debtors filed their schedules of assets and liabilities and statements of financial affairs [Docket Nos. 1015-1016].

5. On March 22, 2018, the Bankruptcy Court entered the *Order (I) Authorizing the Debtors to Wind-Down U.S. Operations, (II) Authorizing the Debtors to Conduct U.S. Store Closings, (III) Establishing Administrative Claims Procedures, and (IV) Granting Related Relief* [Docket No. 2344] pursuant to which the Court authorized the Debtors to begin to wind-down their U.S. operations.

The Claims Reconciliation Process

6. On December 21, 2017, the Court entered the Amended Order (I) Setting Bar Dates for Filing Proofs of Claim, Including Requests for Payment Under Section 503(b)(9), (II) Establishing Amended Schedules Bar Date and Rejection Damages Bar Date, (III) Approving the Form of and Manner for Filing Proofs of Claim, Including Section 503(b)(9) Requests, (IV) Approving Notice of Bar Dates, and (V) Granting Related Relief [Docket No. 1332] (the "General Bar Date Order"), which, among other things, established the following deadline for filing proofs of claim (collectively, the "General Bar Dates"):

(a) April 6, 2018, as the deadline for all persons and entities holding or wishing to assert a "claim" (as defined in section 101(5) of the Bankruptcy Code) against any of the Debtors that arose before the Petition Date (each, a "Claim"), including any claim arising under section 503(b)(9) of the Bankruptcy Code, to file proof of such Claim in writing;

(b) June 18, 2018, as the deadline for all

governmental units holding or wishing to assert a Claim against any of the Debtors that arose before the Petition Date to file proof of such Claim in writing; and (c) the later of (i) the General Claims Bar Date or the Governmental Bar Date (each as defined in the General Bar Date Order), as applicable, or (ii) 5:00 p.m., prevailing Eastern time, on the date that is 30 days following entry of an order approving the rejection of any executory contract or unexpired lease of the Debtors, as the deadline for all entities holding claims against the Debtors arising from the rejection of executory contracts and unexpired leases of the Debtors, to file proof of such Claim in writing.

7. On May 25, 2018, the Court entered the *Amended Order (I) Setting a Bar Date for Filing Proofs of Administrative Claims Against Certain Debtors, (II) Establishing Administrative Claims Procedures, (III) Approving the Form and Manner of Filing Proofs of Administrative Claims, (IV) Approving Notice of the Administrative Claims Bar Date, and (V) Granting Related Relief* [Docket No. 3260] (the “Admin Claims Bar Date Order” and together with the General Bar Date Order, the “Bar Date Orders”), which, among other things, established: (a) July 16, 2018, as the deadline to file proof of such claim in writing for all persons and entities holding or wishing to assert a claim entitled to administrative priority under 11 U.S.C. § 503 (other than § 503(b)(9)) (each, an “Administrative Claim”) against any of the Debtors that arose between the Petition Date and on or prior to June 30, 2018; and (b) the earlier of: (i) the 15th day of the month at 5:00 p.m., prevailing Eastern Time following the month in which the claim arose; or (ii) 14 days following any hearing on a plan of liquidation, structured settlement, or other proposed resolution to the Debtors’ chapter 11 cases, at 5:00 p.m., prevailing Eastern Time, for any Administrative Claim arising after June 30, 2018 (collectively, the “Admin

Bar Dates" and together with the General Bar Dates, the "Bar Dates") as the deadline to file proof of such Administrative Claim in writing.

8. Written notice of the Bar Dates was mailed to, among others, all known creditors and other known holders of claims against the Debtors, identified as of the date of entry of the Bar Date Orders, including all entities listed in the Schedules as holding claims against the Debtors, and to all parties who had filed requests for notices under Bankruptcy Rule 2002 as of the date of the Bar Date Orders. In addition to mailing such actual notice, the Debtors also published notice of the Bar Dates in *USA Today* (national edition) (with respect to the Bar Dates) and the *Wall Street Journal* (national edition) (with respect to the General Bar Dates).

9. On August 8, 2018, the Court entered the *Order (I) Approving Procedures for Filing Omnibus Objections to Claims, (II) Approving the Form and Manner of the Notice of Omnibus Objections, and (III) Granting Related Relief* [Docket No. 4080] approving the Debtors' proposed objection procedures (the "Objection Procedures"). This Objection is filed in accordance with the Objection Procedures.

10. To date, entities have filed approximately 25,000 proofs of claim and requests for allowance and payment of administrative expenses and/or cure claims against the Debtors on an aggregate basis (collectively, the "Proofs of Claim"), collectively asserting more than \$116.2 billion in aggregate liabilities, of which 5,200 assert administrative priority in the collective amount of approximately \$103.2 billion. The Debtors and their advisors are in the process of reviewing the Proofs of Claim, including supporting documentation, if any, filed with the Proofs of Claim, and reconciling the Proofs of Claim with the Debtors' books and records to determine the validity of the Proofs of Claim. For the reasons set forth in more detail below, and

based on their review to date, the Debtors have determined that the Disputed Claims are objectionable on the grounds set forth below.

Objection

11. The Debtors object to the Disputed Claims. Based on their review of the Proofs of Claim, the Debtors have determined that the Disputed Claims, as filed, do not accurately reflect which Debtor entity may be liable for the underlying Claim. Instead, the Debtors believe that the Debtor entity against which the Proof of Claim is asserted should be modified from the Debtor identified in the column titled “Asserted” to the Debtor identified in the column titled “Corrected” in the table provided in **Schedule 1** to the Order. The Debtors assert that the Debtor reflected in the “Corrected” column is consistent with the Debtors’ books and records and/or with the information provided by the claimants. Failure to modify such Proofs of Claim could result in the relevant claimants receiving either (i) a better recovery than other similarly situated creditors, even though such recovery is not warranted, or (ii) a lesser recovery than they are otherwise entitled. Accordingly, the Debtors request that the Court enter the Order, modifying the Disputed Claims identified on **Schedule 1** to the Order. The Debtors maintain the right to object to any Proofs of Claim identified as a “Remaining Claim” on any applicable grounds.

Basis for Relief

12. Section 502(a) of the Bankruptcy Code provides that “[a] claim or interest, proof of which is filed under section 501 of this title, is deemed allowed, unless a party in interest . . . objects.” A debtor in possession has the duty to object to the allowance of any claim that is improper. *See* 11 U.S.C. § 1106(a)(1).

13. As set forth in Bankruptcy Rule 3001(f), a properly executed and filed proof of claim constitutes *prima facie* evidence of the validity and the amount of the claim under

section 502(a) of the Bankruptcy Code. *See In re Allegheny Int'l, Inc.*, 954 F.2d 167, 173 (3d Cir. 1992). Bankruptcy courts have generally held that in order to receive the benefit of *prima facie* validity, however, the claimant must set forth facts necessary to support the claim. *See In re McCarthy*, No. 04-10493, 2004 WL 5683383, at *5 (Bankr. E.D. Va. July 14, 2004). Additionally, a claimant's proof of claim is entitled to the presumption of *prima facie* validity under Bankruptcy Rule 3001(f) only until an objecting party shows that there exists a "true dispute" as to the validity and amount of the claim. *See In re Computer Learning Ctrs., Inc.*, 298 B.R. 569, 578 (Bankr. E.D. Va. 2003) (quoting Collier on Bankruptcy ¶ 3001.09[2] (15th ed. revised 2003)). Once the objecting party refutes an allegation critical to the claim, the burden reverts to the claimant to prove the validity of the claim by a preponderance of the evidence. *Allegheny*, 954 F.2d at 173. In other words, once the *prima facie* validity of a claim is rebutted, "it is for the claimant to prove his claim, not for the objector to disprove it." *In re Kahn*, 114 B.R. 40, 44 (Bankr. S.D.N.Y. 1990) (citations omitted).

14. For the reasons set forth in this Objection and in the Behnke Declaration, the Court should modify the Disputed Claims as requested in herein. If the Disputed Claims are not formally modified, the potential exists for the applicable claimants to receive either (i) a better recovery than other similarly situated creditors, even though such recovery is not warranted, or (ii) receiving a lesser recovery than they are otherwise entitled. In addition, failure to modify the Disputed Claims will mean the process of claims administration and reconciliation will also become unnecessarily burdensome. Thus, the relief requested in this Objection is necessary to prevent any inappropriate distribution of estate funds and to facilitate the administration of the claims-allowance process.

Separate Contested Matter

15. Each of the above objections to the proofs of claim constitutes a separate contested matter as contemplated by Bankruptcy Rule 9014. The Debtors request that any order entered by the Court with respect to an objection asserted herein will be deemed a separate order with respect to each Claim.

Responses to Omnibus Objections

16. To contest this Objection, a claimant must file and serve a written response to this Objection in accordance with the Objection Procedures. If a claimant fails to file and serve a response in accordance with the Objection Procedures, the Debtors may present to the Court an appropriate order modifying the Disputed Claims, without further notice to the claimant or a hearing.

Reservation of Rights

17. Nothing contained herein is intended or shall be construed as: (a) an admission as to the amount of, basis for, or validity of any claim against the Debtors under the Bankruptcy Code or other applicable non-bankruptcy law; (b) a waiver of the Debtors' or any other party in interest's right to dispute any claim; (c) a promise or requirement to pay any particular claim; (d) an implication or admission that any particular claim is of a type specified or defined in this motion; (e) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; or (f) a waiver of any claims or causes of action which may exist against any entity under the Bankruptcy Code or any other applicable law.

Notice

18. The Debtors will provide notice of this Motion via first class mail or email (where available) to: (a) the Office of the United States Trustee for the Eastern District of Virginia, Attn: Robert B. Van Arsdale and Lynn A. Kohen; (b) counsel to the committee of unsecured creditors; (c) DIP Delaware Term Loan Agent and the advisors and counsel thereto; (d) the administrative agent for the prepetition Secured Term Loan B Facility and the advisors and counsel thereto; (e) the agent for the Giraffe Junior Mezzanine Loan and the advisors and counsel thereto; (f) the administrative agent for the Senior Unsecured Term Loan Facility and the advisors and counsel thereto; (g) the indenture trustee for the Debtors' 7.375% Senior Notes and the advisors and counsel thereto; (h) the indenture trustee for the Debtors' 8.75% Unsecured Notes and the advisors and counsel thereto; (i) counsel to the ad hoc group of the Term B-4 Holders; (j) the Internal Revenue Service; (k) the office of the attorneys general for the states in which the Debtors operate; (l) the Securities and Exchange Commission; (m) any party that has requested notice pursuant to Bankruptcy Rule 2002; and (n) holders of the Disputed Claims identified on **Schedule 1** to the Order. The Debtors submit that, in light of the nature of the relief requested, no other or further notice need be given.

No Prior Request

19. No prior request for the relief sought in this Objection has been made to this or any other court.

[Remainder of page intentionally left blank]

WHEREFORE, the Debtors respectfully request that the Court enter the Order granting the relief requested herein and such other relief as the Court deems appropriate under the circumstances.

**DECLARATION OF THOMAS BEHNKE
IN SUPPORT OF THE DEBTORS' THIRTY-FIRST
OMNIBUS OBJECTION TO CERTAIN INCORRECT DEBTOR CLAIMS**

I, Thomas Behnke, hereby declare under penalty of perjury:

1. I am a Managing Director with Alvarez & Marsal North America, LLC, (“A&M”), a restructuring advisory services firm with numerous offices throughout the country.² I, along with my colleagues at A&M, have been engaged by the Debtors to provide various restructuring and financial services. In my current position with the Debtors, I am responsible for all claims management related matters. I am generally familiar with the Debtors’ day-to-day operations, financing arrangements, business affairs, and books and records that reflect, among

¹ The Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number, are set forth in the *Order (I) Directing Joint Administration of Chapter 11 Cases and (II) Granting Related Relief* [Docket No. 78]. The location of the Debtors’ service address is One Geoffrey Way, Wayne, New Jersey 07470.

² Capitalized terms used but not otherwise defined in this Declaration have the meanings given to them in the Objection.

other things, the Debtors' liabilities and the amount thereof owed to their creditors as of the Petition Date. I am above 18 years of age, and I am competent to testify.

2. I submit this declaration (this "Declaration") in support of the *Debtors' Thirty-First Omnibus Objection to Certain Incorrect Debtor Claims* (the "Objection") and am directly, or by and through the Debtors' advisors and personnel, familiar with the information contained therein and the exhibits and schedules attached thereto. I am authorized to submit this declaration on the Debtors' behalf. Except as otherwise indicated, all facts set forth in this Declaration are based upon my personal knowledge of the Debtors' operations and finances, information learned from my review of relevant documents, and information I have received from other members of the Debtors' management, the Debtors' employees or the Debtors' advisors. As to matters regarding state and federal law, including bankruptcy law, I have relied on the advice of counsel. If I were called upon to testify, I could and would testify competently to the facts set forth in this Declaration on that basis.

3. To the best of my knowledge, information, and belief, insofar as I have been able to ascertain after reasonable inquiry, considerable time and resources have been expended to ensure a high level of diligence in reviewing and reconciling the proofs of claim filed against the Debtors in the chapter 11 cases. In evaluating the Disputed Claims, the Debtors and/or their advisors have thoroughly reviewed the Debtors' books and records and the relevant proofs of claim, as well as the supporting documentation provided by each claimant, if any, and have determined that each Disputed Claim should be modified as set forth in the Objection. As such, I believe that the modification of the Disputed Claims on the terms set forth in the Objection is appropriate.

4. To the best of my knowledge, information, and belief, the Debtors and/or their advisors have determined that the Disputed Claims, as filed, do not accurately reflect which Debtor entity may be liable for the underlying Proof of Claim. Instead, the Debtors and/or their advisors believe that the Debtor entity against which the Proof of Claim is asserted should be modified from the Debtor identified in the column titled “Asserted” to the Debtor identified in the column titled “Corrected” in the table provided in **Schedule 1** to the Order. The Debtors assert that the Debtor reflected in the “Corrected” column is consistent with the Debtors’ books and records and/or with the information provided by the claimants. Failure to modify such Proofs of Claim could result in the relevant claimants receiving either (i) a better recovery than other similarly situated creditors, even though such recovery is not warranted, or (ii) a lesser recovery than they are otherwise entitled. As such, I believe the modification of the Disputed Claims on the terms set forth in the Objection is appropriate.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing statements are true and correct to the best of my knowledge, information, and belief.

Dated: January 22, 2019

Respectfully submitted,

/s/ Thomas Behnke
